**M.Sc. Microbiology Entrance Exam 2009**

**Submission of B.Sc. Mark-list and other required documents  
for admission to M.Sc. Microbiology**

- All students **who have appeared for the entrance examination** for admission to Microbiology should **URGENTLY submit the T.Y.B.Sc. mark list as soon as the results are declared**, in the office of Department of Microbiology.
- Please write your **Application number on the mark list**.
- Please write behind the mark-list the **category as Open/ OBC/SC/ ST/ NT etc**.
- If you have not submitted **any other certificate/s** earlier along with the application, please submit it now.
- **The admission committee will not entertain any complaints later**, if the relevant documents and certificates required for admission to M.Sc. Microbiology are not submitted.
- **Students belonging to Other Universities should also submit their T.Y.B.Sc. Mark list as soon as their results are declared, failing which, their admission may be cancelled.**

Students who did not appear for the entrance examination for admission to Microbiology or those who have already submitted their B.Sc. mark-list need not submit it again.
